

ELECTRICAL COUNCIL OF FLORIDA
PINELLAS CHAPTER
GENERAL MEMBERSHIP MEETING
VFW POST 4364
5773- 62nd St. North
Saint Petersburg, FL 33709

Next Meeting: Thursday, February 24th, 2022

This month's meeting will be a Continuing Education Course Titled:
AC/MC FMC Fittings and application
Course Number: 0802353; Provider Number: 0006087; 2 Hrs. Prefix T.
Our instructor will be Wayne Beach of Marvin Bochner, Inc.

This course is to help you understand the changes taking place in the marketplace regarding MC Circuit and Feeder size; the application where it is used; ***BUT*** most importantly, the code requirements and the required fitting for the application. ECF State will have staff in attendance to assist and monitor progress.

This course is free to our members that require CEU credits on their licenses where non-members may either join ECF that night or pay a \$25 per course hour. Field employees or non-licensed attendees need only pay general admission. This class will also be excellent for installers and apprentices as well. Please send this notice to anyone you may know that would like to attend.

Mary will be serving marinated stuffed chicken breasts, roasted potatoes, green beans, salad, and brownies for dessert.
