Edison Chapter CE Classes Saturday, April 27, 2024

8:00 – 8:50 a.m.

Course Title: YOU HOLD THE KEYS TO DRIVESAFE **1 Hour** Prefix S

Course Number: 0802836 **Provider Number:** 0000899

Course Instructor: Paddy McKermitt, Federated Insurance

Course Description: Not only is distracted driving a serious problem, but it's also an epidemic. With each new mobile device, the potential for behind-the-wheel distractions increases and so does your business's exposure to the potential loss of your company's assets. Visual, physical and/or mental distractions can also play a major role in how safe your employees perform when driving your vehicles. You hold the key to proper training and supervision of their driving habits.

9:00 – 9:50 a.m.

Course Title: Workers Compensation Managed Care

Course Number: 0802837 **Provider Number:** 0000899 **1 Hour** Prefix C

Course Instructor: Paddy McKermitt, Federated Insurance

Course Description: On-the-job injuries affect not only the injured employee, but the business and the employee's family as well. This session provides a condensed view of the complex and frustrating aspects of workers compensation, with a goal of positioning your business to properly leverage those concepts. This presentation shares business best practices and presents unique views as one of the largest mutual insurance carriers in the country.

9:50 – 10:10 a.m. Meet and Great with Paddy McKermitt, Federated Insurance

10:10 – 11:00 a.m.

Course Title: Customer Service – Customer Care

Course Number: 0801017 **Provider Number:** 0000899 **1 Hour** – Prefix B

Instructor: Casey Landry

Course Description: This one-hour class is designed to identify all types of business communications including, but not limited to, face to face; telephonic; written (including emails) as well as all other types of technology used to communicate with one another.

11:00 – 11:50 a.m.

Course Title: Overview of Laws and Rules Electrical

Course Number: 0801614 **Provider Number:** 0000899 **1 Hour** – Prefix L&R

Instructor: Casey Landry

Course Description: This course provides an overview of the Laws (Florida Statutes) found in F. S. Chapter 455, Business & Professional Regulation General Provisions; F. S. Chapter 489 Part II, Electrical and Alarm System Contracting; and Chapter 61G6 of the Florida Administrative Code. It will identify the role of the Department of Professional Regulation, Electrical Contractors Licensing Board (ECLB) and familiarize contractors with the Definitions of Occupation and Class Codes and "Know Your Scope" chart.
